The sale of these bags provides not only livelihood for the women and their families, more importantly being a part of **Thoorigai** has made them feel proud of their creativity. The women are much more confident, feel dignified in their families and able to afford better education to their children.

Payir

Payir endeavours to empower Indian villages through an holistic development approach. **Thoorigai** is one such incubated initiative towards providing the rural women better choices of living and an opportunity for a life to be proudly lived
